Dear Board:

Please allow this to serve as my response and request for waiver for the certified letter received on 2/27/21, I would like to ask for a waiver in the late fee of this matter. I am a first-time candidate and thought the report of 10th day prior to general was my last report due before the Supplemental Report because I did not win the election. I had no idea I missed a report filing.

I had assistance from my treasurer on my very first report, but she, unfortunately, went through a horrible divorce and then a hysterectomy in late October and I had to prepare the other reports without assistance. I truly and sincerely had no idea that a previous report was due and I am in need of this waiver. With assistance from your staff, particularly the guidance of Sara, I am planning to have this report filed by the end of today.

I am an upstanding citizen, work for a District Attorney and would have never missed a deadline had I realized this report was due. I graciously ask for your forgiveness with the fee waiver.

Sincerely,

Jeri B. Bowen

As for my final report due, it the one for February 18th. I have submitted my Supplemental Report this morning via fax and US Mail due to the reporting date falling the week that NWLA had severe weather and no water, power, and travel in our area. Thank you again for your consideration.
